

UKSSH AND TAMWORTH SCAFFOLDING PROVE A WINNER AT OLYMPIA.

The full scale show home at the 2023 Ideal Home Show at Olympia also provided yet another showcase for the Haki Public Access Staircase.

Supplied by UK System Scaffold Hire and erected by Tamworth Scaffolding, the Haki Public Access Staircase provided a one way system through the full scale show home, enabling visitors to enter via the front door of the house and leave through an exit on the first floor.

The Public Access Staircases were certainly put to the test with record attendance figures posted on the first day of the event, when they were up 23% on 2022 figures.
